

The **All Access** Package: Listen to **Everything,** **Everywhere**

All new and eligible pre-owned* vehicles come with our All Access trial. All Access is our best package — so your customers will hear every channel available in their ride. Plus listening on the app and online is included, so they'll hear the best SiriusXM[®] has to offer, anywhere life takes them.

In your **Car** | On your **Computer, Smartphone, or Tablet**

In Your Car

Hear every channel available, including all of our premium programming.

At Home & On The Go

Listen on the app or online — it's included with your All Access trial subscription. Bring SiriusXM wherever life takes you, customize your listening experience, and get your favorite shows on demand.

How to Refresh Radio

(For CPO vehicles or if the satellite radio is not active)

- Step 1** Find the Radio ID: Tune to channel 0 and you'll see the number. For further assistance, call or visit us online. Once the Radio ID is found...
- Step 2** Call **1-855-MYREFRESH (697-3373)** or go online at **siriusxm.com/refresh**.

How Customers Can Register Their SiriusXM Internet Radio Account

- Step 1** Go to **siriusxm.com/getallaccess** and click on "Register your account." Have your Radio ID Number ready to set up your username and password.
- Step 2** To listen, log in to **siriusxm.com/player** on your PC or download the **free SiriusXM app** for mobile or tablet.

Some channels not available in all packages.

* All Certified Pre-Owned vehicles automatically receive this new trial subscription benefit — at no cost. If you are already enrolled in the SiriusXM Pre-Owned Program, all your Non-Certified vehicle inventory receives 3-Month All Access Trial Subscriptions. Sign up at siriusxmdealerprograms.com.
