DEALER AFTERMARKET ACCESSORY PROGRAM

SiriusXM Radios Now Available for Non-Equipped Vehicles with 3 Month Trial

SiriusXM is pleased to offer this free 3 month trial subscription to your dealership to help bring added value to your customers. Now add us to every car on the lot!

The trial subscription is for our **All Access Programming Package** which brings over 150 channels of programming in your vehicle and on your connected device with SiriusXM Internet Radio, including commercial free music, every major sport, world class news and the biggest names in talk and entertainment. When discussing accessory add-ons please mention SiriusXM's **3 month free trial offer**.

Point of Sale Materials for the Aftermarket Accessory Program are available for your Dealership. Visit www.VoxxUniversity.com and click on the SiriusXM tab on the left side.

If you already have an account just simply enter your information to access the site. If you do not have an account, click on "Sign Up" under the "Login Email Address" field and fill out the form. Authorization usually takes 24hrs or less.

**See back for aftermarket radio options to fit any vehicle on your lot.
