

Innovation  
that excites

**NissanConnect**  
SERVICES | POWERED BY  
((SiriusXM))

NissanConnect® Services powered by SiriusXM®<sup>1</sup> gives owners added convenience and peace of mind in an emergency by allowing them to connect to their vehicle like never before. Available now on select 2016-2018 models.

## DEALER DEMO

Vehicles equipped with NissanConnect Services have a dealer demo that allows access to Emergency Call, Connected Search, and Destination Assistance. Safety services like Automatic Collision Notification and Roadside Assistance are also active. Demo features are now active from factory shipping. To confirm service is active, make sure the SOS button is green.

## CUSTOMER TRIAL INFORMATION<sup>2</sup>

To activate customer trial, enrollment must be completed to start the trial period and utilize all available services:

**MY16 - MY17:** 6 Months of Premium Plus

**MY18 and up:** 6 Months of Premium Plus, 3 years of Select

Note: Trial time begins with dealer enrollment or original sales date. Activate trials through dealer enrollment to ensure your customer receives their full trial period.

## NISSANCONNECT SERVICES SUBSCRIPTION PACKAGES

Upon conclusion of the trial period, owners can choose the level of protection that's right for them with three tiers of subscription packages.<sup>2</sup>

## ENROLLMENT

Activate customer trials using the new streamlined enrollment process in the NCAR App or through NNAnet:

- Select Owner Services in the NCAR App to begin enrollment process
- Have the customer enter existing or set up new password
- Accept Terms and Conditions
- Enrollment Submitted!

Customers will receive an email, letting them know their NissanConnect Services account has been enrolled. Enrolled customers will be able to log into the NissanConnect Services Web Portal and through the mobile app.
