YOUR SMARTPHONE GETS THEM STARTED

Pre-activating SiriusXM radios is easy with the **improved Dealer App**. Just scan a VIN and start showcasing SiriusXM when selling vehicles. Plus your customers can leave the lot listening to all of our premium programming.

- **Download the SiriusXM Dealer App** from the App Store or Google Play. For best results, open the app and turn on location services.
- **Park the vehicle outside** with an unobstructed view of the sky and make sure the radio is turned on.
- **Choose “Scan VIN,” scan the VIN barcode,** then press “send refresh signal now.” Or, you can manually enter the radio ID or VIN. Your customer’s trial does not start until the vehicle is sold.

More refresh info at siriusxmdealer.com.

If you experience any issues refreshing the radio, please call **Dealer Support at 1-800-852-9696**.
