NissanConnect SERVICES

POWERED BY ((SiriusXM))

NissanConnect® Services powered by SiriusXM®¹ provides added safety, security and convenience features that are designed to keep your clients connected to their vehicle, even when they are not behind the wheel. Available on select 2020 models.

ACCESSING NISSANCONNECT SERVICES

NissanConnect Services features can be accessed through the customer's computer, smartphone, smartwatch³, or with Amazon Alexa or the Google Assistant. Be sure to have your customer download the NissanConnect Services app from the App Store or Google Play. Customers can log in using their MyNISSAN Owner Portal email and password created at enrollment. From the app, customers can:

- Access Vehicle Health Reports
- Control full suite of remote vehicle features
- Set Boundary, Curfew, Speed, and Valet alerts
- Send a destination to the vehicle

DEMO MODE

1. Open the NissanConnect Services app
2. Click Demo Mode

You can use Demo Mode to get familiar with the mobile app as well as showcase it to customers without having to log in.

NCAR 2.0 ENROLLMENT

Complete enrollment through NCAR 2.0 delivery to ensure your customer receives their full trial period by following the steps below:

- Select "Owner Services" box in the **Feature Presentation** section during customer delivery.
- Have the customer enter their existing MyNISSAN Owner Portal account information or create a new account
- Have the customer accept Terms and Conditions

Upon completion, customers will receive an email, letting them know their NissanConnect Services account has been activated.

NISSANCONNECT SERVICES EQUIPPED VEHICLES

¹Feature availability is dependent on vehicle model, trim level, packaging and options. Remote Engine Start/Stop only available on select models.

²Upon expiration of each trial period, a subscription purchase is required to continue NissanConnect Services. Terms and conditions of Subscription Agreement apply.

³This feature is compatible with Apple watchOS and Android Wear only. Not all features available on smartwatch.

⁴Prices shown exclude applicable taxes and fees and reflect monthly subscription fee for Premium packages during Select trial subscription. Premium packages require an active Select subscription. After Select trial period, monthly subscription fee will include additional Select package subscription fee (presently \$11⁹⁹ per month) plus applicable taxes. Monthly subscription requires credit card on file for automatic subscription renewal until customer subscription is cancelled.

⁵Available for a period of 36 months/36,000 miles from the date the vehicle is delivered to the first retail buyer or otherwise put into use, whichever is earlier.

*Certain features of NissanConnect Services Select and Premium packages now available for 2018 LEAF - see NissanConnect EV & Services brochure for more details.
