Once the customer enrolls, he/she will login with their Owner Account login and password and will need their 4-digit SiriusXM Guardian PIN to use remote services. Available features on the mobile app include: Remote Vehicle Start, Remote Door Lock/Unlock, Remote Horn & Lights, Send & Go, Vehicle Finder, Speed Alert, Boundary Alert, Curfew Alert, Valet Alert, Search & Go.

The Chrysler, Dodge, RAM or Jeep skills for Alexa can be used by your customers to remotely connect to their vehicles.

Customers can ask Alexa important information about their vehicle or use remote commands to start their vehicle, check the fuel level and more! Have the customer download the Alexa app and enable their branded skill to link their account.

**Not all services are available for all vehicles. Automatic SOS only available on MY20 vehicles and select MY19 vehicles. Search & Go only available on MY20 vehicles.

*SiriusXM Guardian services are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response center or reach emergency support. Terms of Service of the Uconnect® and SiriusXM Guardian Subscriber Agreement apply. See Terms of Service for complete service limitations. Remote Vehicle Start and Send & Go only available on select models. You are responsible for using all remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Stolen Vehicle police report required for Stolen Vehicle Assistance. Theft Alarm Notification is compatible with factory-installed alarms only.
