## Peace of Mind

Put your mind at ease with 24/7 customer service and GPS-based roadside assistance.

## Anytime. Anywhere

Enjoy remote access and convenience services.

## Safe & Sound

Comfort in knowing somebody is with you when you're on the road ahead.

# Safety

from start to finish

In the event of an emergency, simply push the SOS button to talk to a live agent who can assist you.\* Plus, use Roadside Assistance Call if you get a flat tire, run out of gas or just need help out on the road.

## Stay connected

Use SiriusXM Guardian services through the Uconnect® mobile app

Uconnect

# Convenience

from door to door

With remote services, you can connect to your vehicle from virtually anywhere.\* Simply use the mobile app or website to remotely start, lock or unlock your doors.

If you can't remember where you parked, use the app to find where your vehicle is located on the map or sound your horn and flash your lights. You can also send destinations right to your vehicle's navigation system.

Use the Chrysler, Dodge, Jeep or RAM skill for Alexa to remotely control your vehicle. Just download the Alexa app and enable your branded skill to link your account.

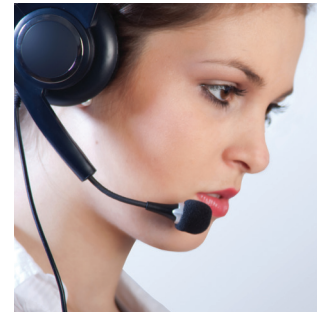

To get a full list of commands, ask Alexa for help with your vehicle.

# Security

in what you know

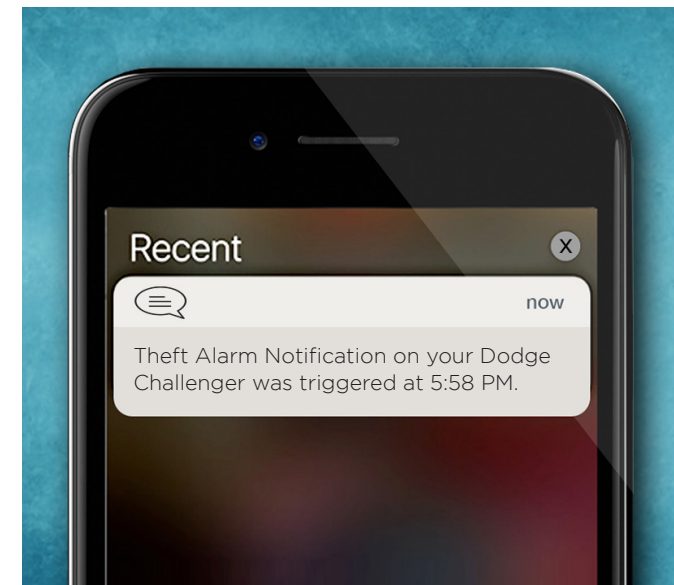

SiriusXM Guardian gives you peace of mind when it comes to the security of your vehicle. Quickly receive alerts on your mobile phone when your vehicle's alarm is triggered.

If the unexpected happens and your vehicle is stolen, Stolen Vehicle Assistance will use GPS to pinpoint its location and help the police recover it quickly.

### SOS Call

If you get into an accident, we provide your GPS location to emergency services and stay on the line with you until help arrives.

### Roadside Assistance Call

Just press the ASSIST button in your vehicle followed by Roadside Assistance on your screen to get help. You have 24/7 access to an agent who can direct help to your GPS location.

### Remote Vehicle Start

Start your vehicle right from the app to warm it up, or cool it down, so it's the same comfortable temperature as when you left it.

### Remote Door Lock/Unlock

If you forget to lock your doors, press the Lock button in the mobile app to quickly secure your vehicle.

### Remote Horn & Lights

Find your vehicle in a crowded parking lot by sounding your horn and flashing your lights.

### Send & Go

Search, map and send your destinations directly to your vehicle.

### Search & Go

Use voice search or your touch-screen to find the hottest new restaurants or store openings that may not be available through your in-vehicle navigation.

### Vehicle Finder

Pinpoint where your vehicle is parked in the mobile app to find the best way back to it.

### Speed Alert

Monitor how fast your vehicle goes. Just pick a maximum speed and you'll get an alert if your vehicle exceeds it.

### Boundary Alert

Set up this alert to get a notification when your vehicle goes in or out of an area you define.

### Curfew Alert

You can get a notification if your vehicle breaks curfew. Just pick a time and set up your alert.

### Valet Alert

When you're out on the town and leave your vehicle with valet, set this alert to know if your vehicle is taken outside a specified area.

### Stolen Vehicle Assistance

We use GPS to pinpoint your vehicle's exact location and help the police quickly recover it.

### Theft Alarm Notification

Receive an alert to your phone if your vehicle's alarm is triggered.

Enrollment in the free trial is required to receive services. Trial starts from the original date of purchase or lease of a new vehicle.

\*SiriusXM Guardian services are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response centre or reach emergency support. Terms of Service of the Uconnect® and SiriusXM Guardian Subscriber Agreement apply. See Terms of Service for complete service limitations. Remote Vehicle Start, Send & Go and Search & Go only available on select models. You are responsible for using all remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Smartphone compatibility is required. Stolen Vehicle police report required for Stolen Vehicle Assistance. Theft Alarm Notification is compatible with factory-installed alarms only.

After your free trial expires, enrollment in a paid subscription is required to continue SiriusXM Guardian services.

The Chrysler, Dodge, Jeep or RAM skill for Amazon Alexa is only available on Chrysler, Dodge, Jeep or RAM brand vehicles equipped with SiriusXM Guardian connected services and an active subscription to those services. Vehicles with a 12-inch Display do not have access to vehicle health information. Speaking your SiriusXM Guardian security PIN in the presence of others is NOT recommended.
