CH 16

## Listening on the app, online and at home is included

Along with listening to SiriusXM All Access in their cars, your customers can enjoy it on the SiriusXM app, online and on many devices in their home. It's all included in their trial subscription. They'll just need a username and password to log in. Here's how to get started:

- Go to [siriusxm.com/getstarted](https://siriusxm.com/getstarted) to set up the account (they'll need their Radio ID or VIN)
- If this is a new account, click "[Register Now](#)" to create credentials
- Once they have generated their credentials, they can download the SiriusXM App, log in, and start listening

1. Create credentials at [siriusxm.com/getstarted](https://siriusxm.com/getstarted)

2. Sign in on the app, online, or on your home device.

## Stay up to date with all things SiriusXM

Visit [siriusxmlearning.com](https://siriusxmlearning.com) to get certified as a SiriusXM specialist. Complete your training and get a FREE 90-day trial to listen online, on the app and at home, plus a chance to win prizes.

# Advanced Audio Features

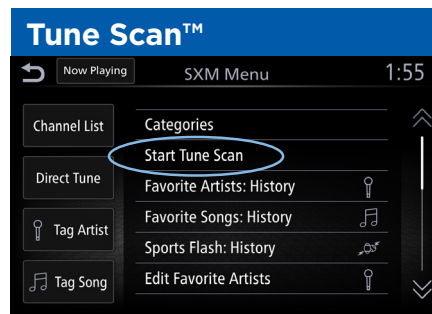

## We make listening even easier

With the SiriusXM All Access trial subscription, your customers get Advanced Audio features that make listening to what they love even better. (Available on select models only.)

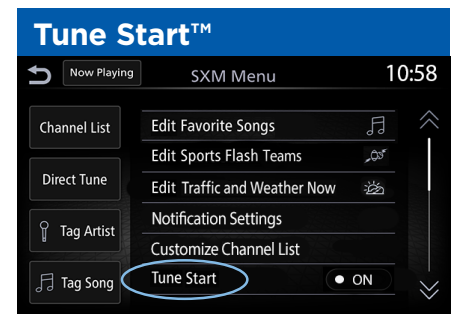

Rewind and replay content on your presets.

- **Get started:** Pause, play, forward and rewind content from your preset channels.

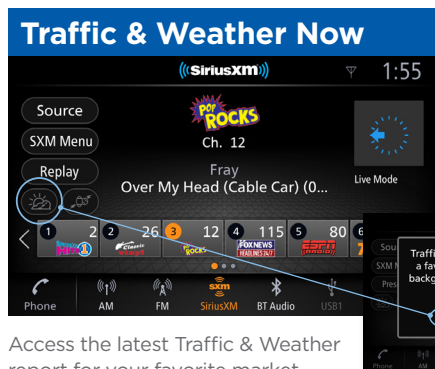

Activate the TuneScan™ feature to hear a few seconds of unheard songs from the current band.

- **Get started:** Go to the SXM menu and click Start Tune Scan.

Tune to your favorite channel and automatically start a song from the beginning.

- **Get started:** Go to the SXM menu and click Tune Start.

Access the latest Traffic & Weather report for your favorite market, whenever you want to hear it.

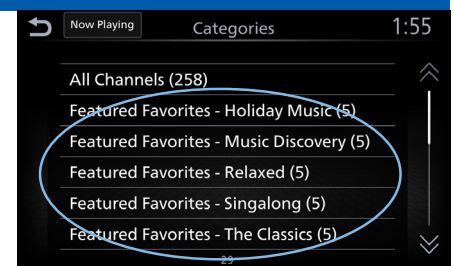

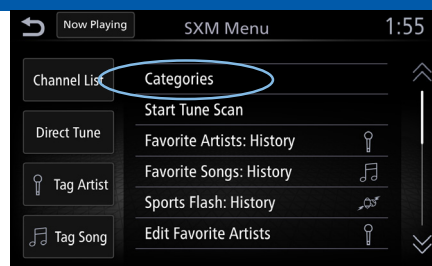

- **Get started:** Go to the SXM menu to select your favorite city.

Get a notification when a big play is happening with your favorite teams.

Choose to tune in and hear the play unfold, continue listening to the game, or return to your previous channel.

- **Get started:** Click on the SportsFlash icon to add your favorite teams and get notified when a big play happens.

Discover new content and channels selected by our programmers and automatically saved to your radio.

- **Get started:** Click on the Categories item under the SXM menu to find your favorites.
