

NissanConnect EV & SERVICES POWERED BY ((SiriusXM))

NissanConnect® Services powered by SiriusXM®¹ provides added safety, security and convenience features that are designed to keep your clients connected to their vehicle, even when they are not behind the wheel.

Available on 2021 LEAF: SV, SV PLUS, SL PLUS.

ACCESSING NISSANCONNECT SERVICES

NissanConnect Services features can be accessed through the customer's computer, smartphone, smartwatch², or with Amazon Alexa or the Google Assistant. Be sure to have your customer download the NissanConnect EV & Services app from the App Store or Google Play. Customers can log in using their MyNISSAN Owner Portal email and password created at enrollment.

- Manage unique features of your LEAF by charging the battery, adjusting the climate controls and more
- Set Boundary, Curfew, Speed, and Valet alerts

ENROLLING YOUR CUSTOMERS

Included trials start on the vehicle's purchase date, so it's important to enroll your customers to ensure they have the full opportunity to use their services. You can help the customer create app credentials during NCAR 2.0 delivery.

1. During Feature Presentation, navigate to the Owner Services section.
2. **Have the customer confirm their email address and input a password.**
***This email address and password will be used as the customer's login credentials for the app.**
3. Have the customer ACCEPT Terms & Conditions and select "Register"
4. Once submitted, the services will activate, and the customer can log in to the app using the email and password established via NCAR.
