We make listening even easier

The new Lexus multimedia display is equipped with SiriusXM features that make listening to what your drivers love even better. Every Lexus vehicle comes with a 3-month trial that includes SiriusXM in your vehicle and listening with the SXM App on your phone, online, and at home.

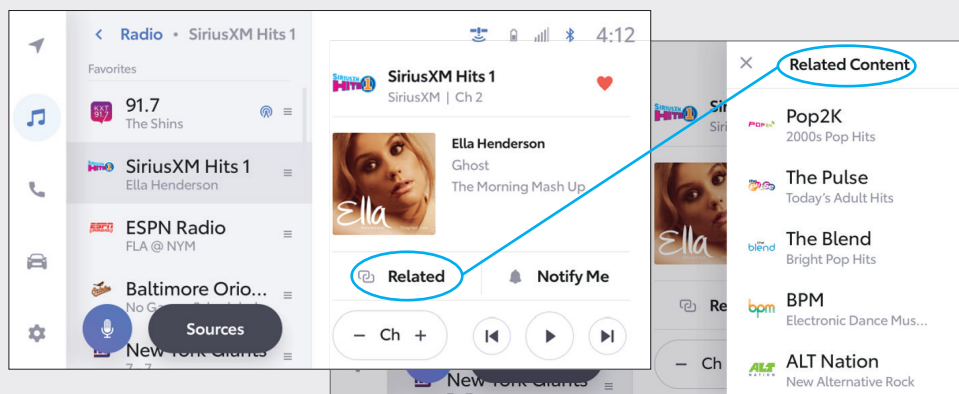

Category Menu

Easily browse by Music, Sports, News and Talk to find exactly what you want to listen to.

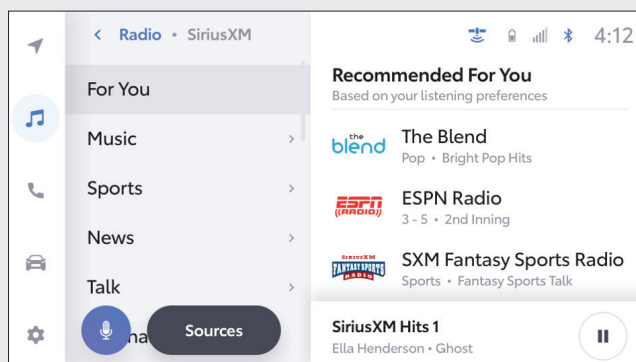

Related

View SiriusXM content related specifically to what you're currently listening to for more choices to explore.

For You

Get personalized recommendations of channels curated just "For You" based on your listening preferences.

Live Sports Category and Enhanced Game View

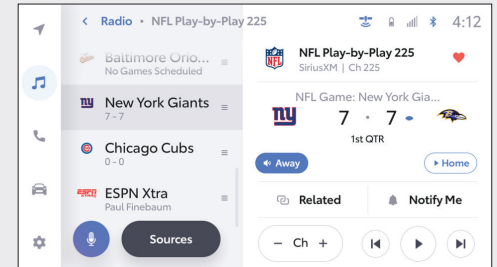

There's now a separate category for games currently being played live to make it easier to jump in. You can also set a team as a favorite that, when selected, automatically tunes to the game to view game stats like score, duration and team logos.

Live Sports Category

Enhanced Game View

(Home AND Away feeds when available)

Notifications

Set notifications to receive an alert in order to never miss your favorite artist, song, or sports team.
