

Features

ASSIST Package Put your mind at ease with 24/7 emergency service and roadside assistance.

Automatic SOS+**

A hands-free safety service that can immediately connect you with a live agent when your airbags deploy. A trained agent will contact you, alert emergency services and direct them to your vehicle's GPS location. Your vehicle and driver information, including health and medical data, will be shared digitally with emergency services allowing for faster response times. Even if you're unable to respond, we can still send help.

SOS Call

If you get into an accident, we provide your GPS location to emergency services and stay on the line with you until help arrives.

Roadside Assistance Call

Just press the ASSIST button in your vehicle followed by Roadside Assistance on your screen to get help. You have 24/7 access to an agent who can direct help to your GPS location.

SiriusXM Guardian Assistance

Get convenient in-vehicle access to SiriusXM Guardian 24/7 Customer Care where you can easily update your profile information, manage your account and more.

Monthly Vehicle Health Report

Vehicle Health Report sends an email summary of your vehicle's key diagnostics every month so you can stay on top of your vehicle's key systems.

Vehicle Health Alert

Receive an email and/or text alert if a problem is detected with one of your vehicle's key diagnostic systems.

Performance Pages Plus (SRT vehicles only)

This add-on bonus to the Performance Pages app gives you the flexibility to save your best results to the web any-time, anywhere — on and off the track.

CONVENIENCE Package This package includes remote and convenience features along with the benefit of emergency services.

Remote Vehicle Start*

Start your vehicle right from the app to warm it up, or cool it down, so it's the same comfortable temperature as when you left it.

Vehicle Finder**

Pinpoint where your vehicle is parked on the map in the mobile app to find the best way back to it.

Remote Door Lock/Unlock

If you forget to lock your doors, press the Lock button in the mobile app to quickly secure your vehicle.

Remote Horn & Lights

Find your vehicle in a crowded parking lot by sounding your horn and flashing your lights.

Send & Go*

Search, map and send your destinations directly to your vehicle.

Speed Alert**

Monitor how fast your vehicle goes. Just pick a maximum speed and you'll get an alert if your vehicle exceeds it.

Boundary Alert**

Set up this alert to get a notification when your vehicle goes in or out of an area you define.

Valet Alert**

When you're out on the town and leave your vehicle with valet, set this alert to know if your vehicle is taken outside a specified area.

Curfew Alert**

You can get a notification if your vehicle breaks curfew. Just pick a time and set up your alert.

Search & Go**

Provides online search functionality using the vehicle's built-in 4G connectivity to search and find the most up-to-date location information. Customers can use voice search or their touchscreen to find the hottest new restaurants or store openings that may not be available through their in-vehicle navigation.

SECURITY Package Rest your worries with the SiriusXM Guardian security package, which includes features designed to keep you connected to your car.

Stolen Vehicle Assistance

We use GPS to pinpoint your vehicle's exact location and help the police quickly recover it.

Theft Alarm Notification**

Receive an alert to your phone if your vehicle's alarm is triggered.

Automatic SOS+ is powered by ACN+™. Your driver information is shared from your SiriusXM Guardian account, including the location of the incident. Critical health and medical information is shared when your mobile phone number is matched with an existing MedicAlert account.

**Not all services are available for all vehicles. Automatic SOS+, Search & Go, Vehicle Finder, Family Drive Alerts and Theft Alarm Notification only available on select vehicles.

*SiriusXM Guardian services are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response center or reach emergency support. Terms of Service of the Uconnect® and SiriusXM Guardian Subscriber Agreement apply. See Terms of Service for complete service limitations. Remote Vehicle Start, Send & Go and Search & Go only available on select models. You are responsible for using all remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Smartphone compatibility is required. Stolen Vehicle police report required for Stolen Vehicle Assistance. Theft Alarm Notification is compatible with factory-installed alarms only.
