## We make listening even easier

The new Toyota Audio Multimedia display is equipped with SiriusXM features that make listening to what your drivers love even better. Applicable Toyota vehicles come with a 3-month trial that includes SiriusXM in your vehicle and listening with the SXM App on your phone, online and at home.

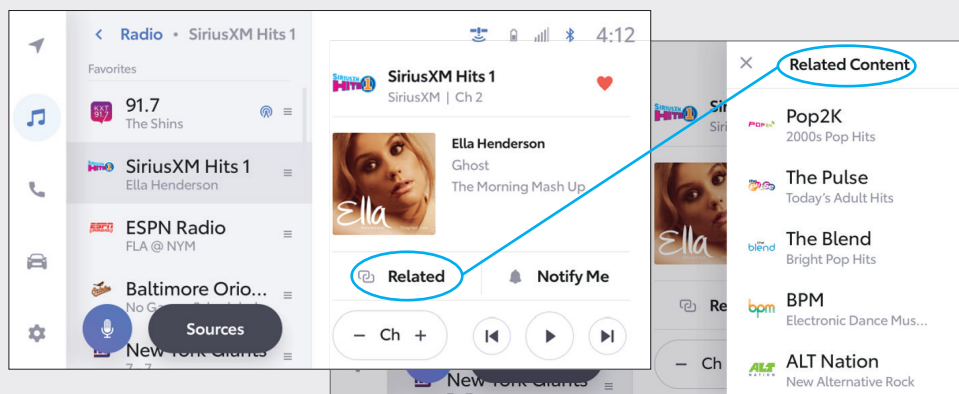

## Category Menu

Easily browse by Music, Sports, News and Talk to find exactly what you want to listen to.

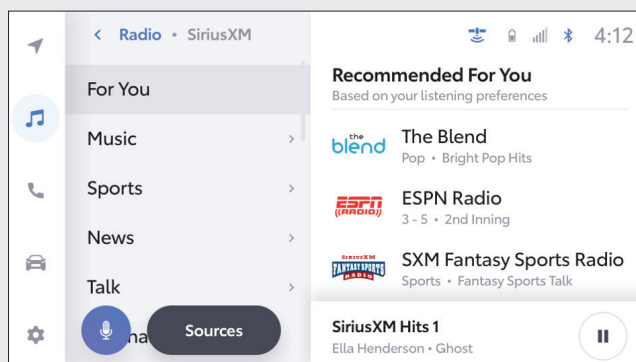

## Related

View SiriusXM content related specifically to what you're currently listening to for more choices to explore.

## For You

Get personalized recommendations of channels curated just "For You" based on your listening preferences.

## Live Sports Category and Enhanced Game View

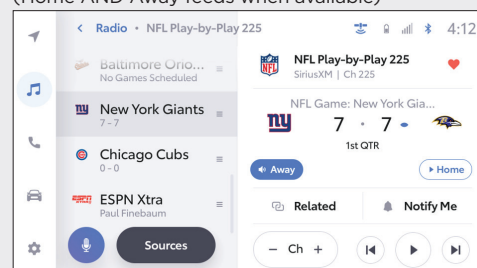

There's now a separate category for games currently being played live to make it easier to jump in. You can also set a team as a favorite that, when selected, automatically tunes to the game to view game stats like score, duration and team logos.

### Live Sports Category

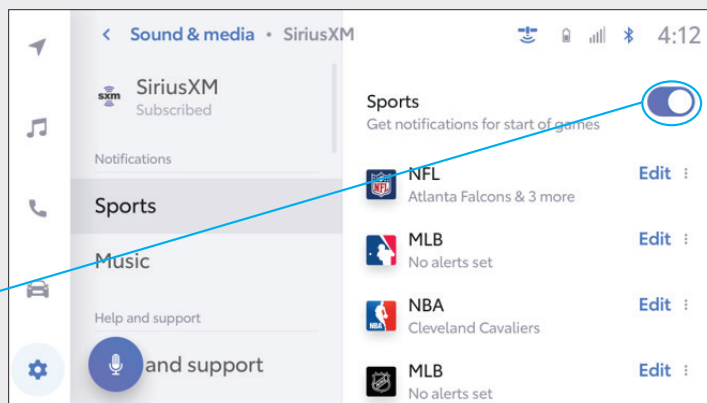

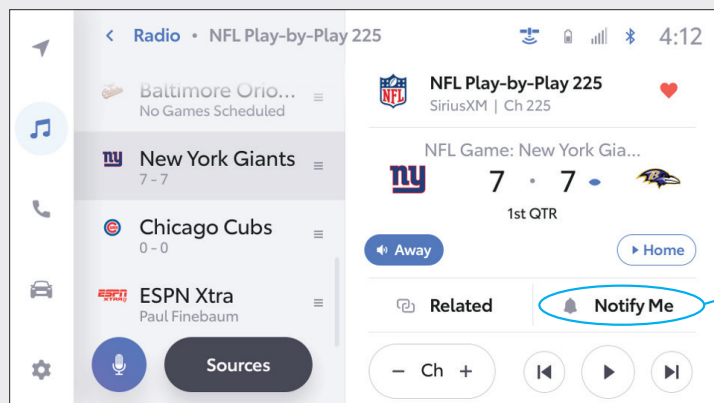

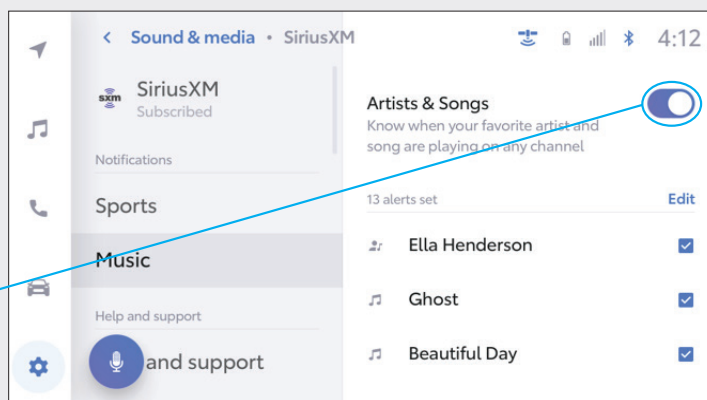

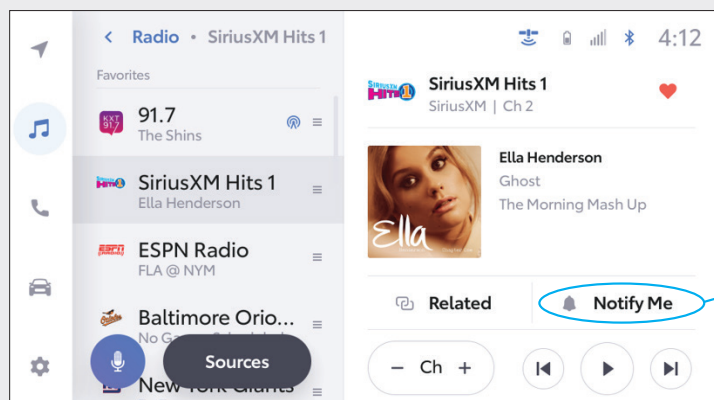

### Enhanced Game View

(Home AND Away feeds when available)

## Notifications

Set notifications to receive an alert in order to never miss your favorite artist, song or sports team.
