

## SIRIUSXM WITH 360L

An all new SiriusXM experience that transforms the way you listen in the vehicle. Standard on ARIYA and available on 2023 Altima vehicles with navigation.

**SiriusXM with 360L transforms your ride with the most extensive and personalized radio experience on the road.** Advanced in-car technology gives you the most channels, shows and exclusive content, with personalization features that make discovering your perfect soundtrack easier than ever before.

- **Unparalleled Variety:** Experience expertly curated ad-free music and exclusive artist-created music channels, plus sports, comedy, news and entertainment. Plus, stream podcasts and thousands of hours of interviews, shows and performances — all on demand, right in your vehicle. Plus, listen on the SXM App with our most popular packages.
- **Personalized Discovery:** Search less and enjoy more. Discover new channels and on-demand shows with “For You” recommendations that get smarter as you listen.
- **Easy to Use:** Seamlessly switch between your favorite live channels and on-demand streaming content with one-touch access. Find the entertainment you love by category, genre or channel number. Or, find new favorites by tapping the “Related” button to see channels and shows similar to what’s currently playing.
- **Personalized Pandora Stations:** Create your own ad-free music stations, for the first time ever in your Nissan vehicle.
