

# SIRIUSXM WITH 360L

## SiriusXM with 360L transforms your ride with the most extensive and personalized radio experience on the road.

Our advanced in-car technology will guide you to the most SiriusXM channels, shows and exclusive content. Enjoy personalization features, including Podcast On Demand content, For You recommendations, Live Sports Category and these great features:

CREATE  
**pandora**  
STATIONS

## Create stations that are truly all you

Take your listening to the next level with personalized Pandora stations in your car. It's a fun way to help curate your own music journey — and it's included in your trial.

- **Create your own ad-free music stations**, based on the artists you love
- **Fine tune your stations** by giving a thumbs up or down to your station's tunes
- **Save your stations as presets** so you can access them anytime

- **190+ additional ad-free music channels** made to enhance great moments
- **Channels that match your mood** — from high energy to acoustic, from top 100 to new music
- **Channels from your favorite eras** with hits from the 1950s to the 2020s

**XTRA  
CHANNELS**

## Now added to your listening experience

Discover music made for any mood or activity with 190+ Xtra channels in your car. You'll enjoy more variety with these expertly curated channels — and they're included in your trial.

Just tap **"Play Pandora Station"** when listening to a song or artist you're into or use the built-in voice search to manually request an artist.

You can access **"Xtra Channels"** by tapping **For You** within the Browse Menu or **Related** buttons to see the lineup.

All eligible vehicles equipped with factory-installed satellite radio will receive a 6-month trial subscription to the SiriusXM Platinum Plan.
