3 months Premium Trial for all Certified Pre-Owned Vehicles

NISSANCONNECT® SERVICES¹ FOR CERTIFIED PRE-OWNED

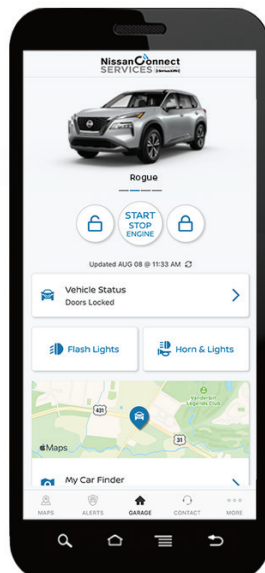

Certified Pre-Owned vehicles now qualify for at least a 3 month Premium trial!² With added safety, security and convenience features that are designed to keep your customers connected to their vehicle, even when they are not behind the wheel.

STEPS TO A SUCCESSFUL ENROLLMENT

To ensure your customers can take full advantage of their trial services and easily enroll, follow three key steps:

1. VALIDATE CONTACT INFO

In order for your customer to easily enroll in their trial, confirm a valid email and physical address in the CPO sales record.

2. DOWNLOAD THE APP

Make sure your customer has downloaded the NissanConnect Services app.

They won't be able to register or enroll in trial just yet but having the app set-up ahead of time will ensure they can access their features like Remote and My Car Finder without any issues.

DOWNLOAD THE APP

3. COMPLETE ENROLLMENT

The customer will receive an email within about a week of purchasing their vehicle which will include instructions on how to complete enrollment and learn more about their included features.

Any delay in the submission/ activation of the CPO Warranty may impact your customer's ability to enroll in the Premium Trial immediately after purchase. For additional assistance please refer eligible customers to: 1-855-426-6628

BENEFITS OF NISSANCONNECT® SERVICES POWERED BY SIRIUSXM

Remote Engine Start/Stop³

Warm or cool the interior of your Nissan with the NissanConnect Services app so it's a comfortable temperature before you get inside.

Not all models are capable of Remote start.

Automatic Collision Notification

In the event of an emergency, we can call for help even if you can't. Your vehicle can automatically connect you to a live Response Specialist 24/7.

Vehicle Health Reports

Vehicle Health Report provides you with a monthly performance evaluation, detailing any recent malfunction alerts triggered by your Nissan vehicle. You can review each full report on the NissanConnect Services app.

Stolen Vehicle Locator

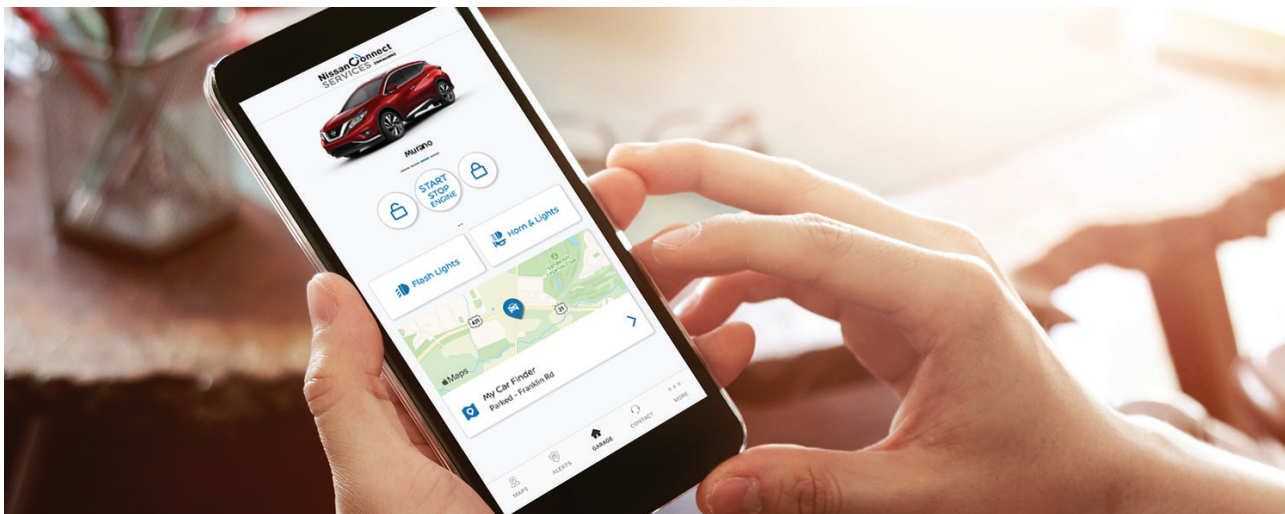

Stolen Vehicle Locator feature can help pinpoint your vehicle's location and assist police in locating it in the unfortunate event that it is stolen. A police report is required prior to activating the Stolen Vehicle Locator.

You can also access NissanConnect Services from your favorite voice assistant.

Whether you need help to locate your car en route or in a crowded lot, you can use My Car Finder on the NissanConnect Services app.

¹ Feature availability is dependent on vehicle model, trim level, packaging and options. **Late availability for some features.** Remote Engine Start/Stop only available on select models. ² Upon expiration of each trial period, a subscription purchase is required to continue NissanConnect Services. Terms and conditions of Subscription Agreement apply. ³ This feature is compatible with Apple watchOS and Android Wear only. Not all features available on smartwatch.
