Terms of the **12-month FREE Trial**

Enrollment is required to receive the free SiriusXM Guardian trial and is available on SiriusXM Guardian equipped vehicles only. The trial starts from the original date of purchase or lease of a new vehicle.

The trial comes with the SiriusXM Guardian Convenience + Security Package.

USE SIRIUSXM GUARDIAN SERVICES WITH THE BRANDED MOBILE APP

Take advantage of your remote services and set your notification preferences right from the app

1. Download your branded mobile app
2. Login with your Owner Account email address and password
3. Set up your notification preferences
4. You're connected! Start using your remote services!

Services

The trial comes with the SiriusXM Guardian Convenience + Security package for up to 12 months from the original date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive services.*

ASSIST Package Put your mind at ease with 24/7 emergency service and roadside assistance.

Automatic SOS +**

A hands-free safety service that can immediately connect you with a live agent when your airbags deploy. Even if you're unable to respond, we can still send help. A trained agent will contact you, alert emergency services and direct them to your vehicle's GPS location.

Roadside Assistance Call

Just press the ASSIST button in your vehicle followed by Roadside Assistance on your screen to get help. You have 24/7 access to an agent who can direct help to your GPS location.

SOS Call

If you get into an accident, we provide your GPS location to emergency services and stay on the line with you until help arrives.

SiriusXM Guardian Assistance

Get convenient in-vehicle access to SiriusXM Guardian 24/7 Customer Care where you can easily update your profile information, manage your account and more.

CONVENIENCE Package This package includes remote and convenience features along with the benefit of emergency services.

Remote Vehicle Start

Start your vehicle right from the app to warm it up, or cool it down, so it's the same comfortable temperature as when you left it.

Vehicle Finder

Pinpoint where your vehicle is parked on the map in the mobile app to find the best way back to it.

Remote Door Lock/Unlock

If you forget to lock your doors, press the Lock button in the mobile app to quickly secure your vehicle.

Remote Horn & Lights

Find your vehicle in a crowded parking lot by sounding your horn and flashing your lights.

Send & Go

Search, map and send your destinations directly to your vehicle.

Speed Alert

Monitor how fast your vehicle goes. Just pick a maximum speed and you'll get an alert if your vehicle exceeds it.

Boundary Alert

Set up this alert to get a notification when your vehicle goes in or out of an area you define.

Valet Alert

When you're out on the town and leave your vehicle with valet, set this alert to know if your vehicle is taken outside a specified area.

Curfew Alert

You can get a notification if your vehicle breaks curfew. Just pick a time and set up your alert.

SECURITY Package Rest your worries with the SiriusXM Guardian security package, which includes features designed to keep you connected to your car.

Stolen Vehicle Assistance

We use GPS to pinpoint your vehicle's exact location and help the police quickly recover it.

Theft Alarm Notification

Receive an alert to your phone if your vehicle's alarm is triggered.

****Automatic SOS+ is powered by ACN+™. Your driver information is shared from your SiriusXM Guardian account, including the location of the incident. Critical health and medical information is shared when your mobile phone number is matched with an existing medical information service provider. Uconnect and SiriusXM Guardian do not collect, process or store any of the medical information you have provided to a medical information alerting service provider.**

Not all features are available on all models or trims. Feature availability is dependent on vehicle model, trim level, packaging and options.

*SiriusXM Guardian services are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response center or reach emergency support. Terms of Service of the Uconnect® and SiriusXM Guardian Subscriber Agreement apply. See Terms of Service for complete service limitations. Remote Vehicle Start and Send & Go only available on select models. You are responsible for using all remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Smartphone compatibility is required. Stolen Vehicle police report required for Stolen Vehicle Assistance. Theft Alarm Notification is compatible with factory-installed alarms only.
