Enrollment Procedure

ComSoft Cloud Instructions

1. To get started go to the **“Inventory Management”** screen.
2. At the top of the screen select the **SiriusXM** tab.
3. Click on the **“Enroll SiriusXM”** button.
4. The enroll screen will pop up. Click on the **“Enroll your Dealership in the SiriusXM Pre-Owned Program”** button.
5. The SiriusXM enrollment web site will open in your default browser. Enter any missing information and click the **“Join Now”** button. Be sure to check the email address you entered for the confirmation email. Be sure to also check your **“Junk Mail”** folder.
6. Once you have received your confirmation email from SiriusXM, Check the check box to let the program know that you are ready to proceed. The process screen will open and here you can exclude inventory groups you don’t wish to process.

WARNING: All previous SiriusXM subscription information will be cleared to start the demo service. If you have consignment vehicles in your inventory and you DON’T want them to be cleared it is recommended that you cancel this process and add a consignment inventory group then change the consignment vehicle’s inventory group to the new consignment group and excludes that group from being processed.

7. Once the process has completed, you are ready to install the SiriusXM Dealer app on your device and activate the vehicles to start the demo subscription.
