

NissanConnect® Services powered by SiriusXM^{®1} provides added safety, security and convenience features that are designed to keep your clients connected to their vehicle, even when they are not behind the wheel. **Available on 2025 LEAF: SV PLUS.**

Accessing NissanConnect Services

- NissanConnect Services features can be accessed through the customer's computer, smartphone, smartwatch², or with Amazon Alexa.
- Be sure to have your customer download the NissanConnect EV & Services app from the App Store or Google Play.
- Customers can log in using their MyNISSAN Owner Portal email and password created at enrollment.

From the app, customers can:

- Manage unique features of your LEAF by charging the battery, adjusting the climate controls and more
- Set Boundary, Curfew, Speed, and Valet alerts.

Enrolling Your Customers

Included trials start on the vehicle's purchase date, so it's important to enroll your customers to ensure they have the full opportunity to use their services. You can help the customer create app credentials during NCAR delivery.

1. When complete with Step 2 Delivery Readiness in NCAR go to Step 3 Onboarding. Customer information will be pre-populated with inputs from their NCAR profile.
2. Have the customer verify, edit or add any necessary profile information.
3. Have the customer enter or confirm their email address and input a password and confirm mobile number to receive SMS link.
*This email address and password will be used as the customer's login credentials for the NissanConnect EV & Services app.
4. Upon consent of a one-time text, a link will be sent to the customer's mobile number to download the NissanConnect EV & Services App.
5. Have the customer ACCEPT Terms & Conditions and select "Register".
6. Once submitted, the services will activate, and the customer can log in to the NissanConnect EV & Services app using the email and password established via NCAR.

For enrollment concerns call NissanConnect EV Support at 1-877-664-2738. Customers can call 1-844-711-8100 or visit nissanusa.com/mynissan for subscription details.

¹Upon expiration of each trial period, a subscription purchase is required to continue NissanConnect Services. Terms and conditions of Subscription Agreement apply.
²This feature is compatible with Apple watchOS and Android Wear only. Not all features available on smartwatch.
³Prices shown exclude applicable taxes and fees and reflect monthly subscription fee for Premium packages during Select trial subscription. Premium packages require an active Select subscription. After Select trial period, monthly subscription fee will include additional Select package subscription fee (presently \$11⁹⁹ per month) plus applicable taxes. Monthly subscription requires credit card on file for automatic subscription renewal until customer subscription is cancelled.
⁴Available for a period of 36 months/36,000 miles from the date the vehicle is delivered to the first retail buyer or otherwise put into use, whichever is
