

NissanConnect
SERVICES POWERED BY
SiriusXM

NissanConnect® Services powered by SiriusXM introduces NEW updates with select 2025 models providing your customers with more ways to stay connected to their vehicle.

WHAT'S NEW?

REMOTE CLIMATE CONTROL
Is your customer in a hurry? Now customers can remotely check, schedule, or set your vehicle's cabin temperature so it's comfortable before you step in.

ADDITIONAL DRIVER
The primary drivers can invite up to 4 additional drivers, customize their permissions and set up notifications for each user - making sharing their vehicle easy!

WALK AWAY STATUS

Walk away with confidence that your Rogue is secure. Can't remember if you closed the sunroof or left the the door unlocked? With Walk Away Status you'll receive automatic alerts sent straight to a compatible smartphone when there's something to know about your vehicle's status.

IN-VEHICLE DATA & WI-FI

In-Vehicle Data & Wi-Fi provides the ability to power key vehicle features such as Alexa Built-in, Hybrid radio and Google Play apps, and connect up to 7 passenger devices to stream, browse and more. Separate NissanConnect with Wi-Fi Hotspot enrollment and subscription required

GOOGLE AUTOMOTIVE SERVICES (GAS)

Fully integrated user experience that offers personalized navigation, vehicle interaction using only your voice and and a dedicated app which supports Media, Entertainment, and more. Services at launch include Google Maps, Google Assistant and Google Play.

Enrolling Your Customers in NissanConnect Services

Included trials start on the vehicle's purchase date, so it's important to enroll the customers to ensure they have the full opportunity to use their services. You can help the customer create app credentials during NCAR delivery.

1. When complete with Step 2 Delivery Readiness in NCAR go to Step 3 Onboarding. Customer information will be pre-populated with inputs from their NCAR profile.
2. Have the customer verify, edit or add any necessary profile information
3. Have the customer enter or confirm their email address and input a password and confirm mobile number to receive SMS link. ***This email address and password will be used as the customer's login credentials for the MyNISSAN app.**
4. Have the customer ACCEPT Terms & Conditions and select "Register".
5. Upon consent of a one-time text, a link will be sent to the customer's mobile number to download the MyNISSAN Canada App.
6. Once submitted, the services will activate, and the customer can log in to the MyNISSAN Canada app using the email and password established via NCAR.

For enrollment issues contact ncs@nissan-usa.com.

Login to Vehicle with Email and Password

In order to execute a remote command from the MyNISSAN app, must input the NissanConnect credentials into the vehicle. Follow these simple steps:

1. Tap "Set up profile" and name the profile using the customers gmail or associated account.
2. Review and Accept Google Terms of Service.
3. Tap "NissanConnect login" and enter the customers NissanConnect User ID and password. ***This is the same login that was used for enrollment.**
4. Finally, tap "Login", followed by "Next" and a green check mark will appear on the profile page. Once you see the green check mark, you have successfully activated NissanConnect Services!
