

# 33-mo Extended Service Plan

## Streamlined Enjoyment

Lexus dealerships can now provide an Extended Service Subscription to SiriusXM on select new vehicles.

### ► Product highlights

#### **Plan Information:**

Add the SiriusXM Extended Service Subscription when ordering vehicles to bring exceptional value to your customers.

- Standard 3-month trial subscription
- Additional 33-month SiriusXM Extended Service Subscription

#### **How to Order:**

Contact your Lexus District Manager to add the PPO Code 1S to your vehicles.

#### **The Value of Extended Service:**

- \$350 Vehicle MSRP for 33 months SiriusXM Extended Service (*a \$960 plus tax retail value*)
- \$65/per vehicle equipped with SiriusXM PPO trial offering
- 63% Savings for your customer

#### **Did You Know?**

- 79% of SiriusXM subscribers consider it their top audio source while in the vehicle. Offering SiriusXM Extended Service Subscription aligns with Lexus owner expectations and preferences, enriching their ownership experience.

### ► Customer benefits

#### **Exceptional Value**

Substantial savings of 63% to customers when compared to the full price monthly billed plans, offering excellent value for three years of service.

#### **Streamlined Subscription**

No need to have separate monthly bills and aligns with your warranty period.

#### **Elevated Lexus Driving Experience**

Unparalleled premium audio journey for three years, with seamless coast-to-coast coverage and a diverse range of content including music, talk shows, sports commentary, news updates, comedy, podcasts, original programming, and exclusive insider content.

#### **Effortless Enjoyment Inside & Outside the Vehicle on the SiriusXM app**

Curated channels by expert DJs, personalities, and tastemakers both in Lexus vehicles and on the SiriusXM app.

#### **Subscriber Perks & Benefits**

Customers receive exclusive subscriber benefits for three years, including opportunities to attend special events, including live and virtual performances from their favorite artists and hosts.

## Questions?
