NissanConnect® Services¹ For Certified Pre-Owned

Certified pre-owned vehicles now qualify for at least a 3 month Premium and Premium Plus trial². With added safety, security and convenience features that are designed to keep your customers connected to their vehicle, even when they are not behind the wheel.

Steps To A Successful Enrollment

Included Premium and Premium Plus trials start on date of enrollment.

Enroll your customers to ensure they take full advantage of their trial services. You can help the customer enroll during the NCAR delivery.

1. When complete with Step 2 Delivery Readiness in NCAR go to Step 3 Onboarding. Customer information will be pre-populated with inputs from their NCAR profile.
2. Have the customer verify, edit or add any necessary profile information
3. Have the customer enter or confirm their email address and input a password and confirm mobile number to receive SMS link.
***This email address and password will be used as the customer's login credentials for the MyNISSAN App.**
4. Have the customer ACCEPT Terms & Conditions and select "Register".
5. Upon consent of a one-time text, a link will be sent to the customer's mobile number to download the MyNISSAN App.
6. Once submitted, the services will activate, and the customer can log in to the MyNISSAN app using the email and password established via NCAR.

For enrollment issues contact ncs@nissan-usa.com.

Benefits of NissanConnect® Services powered by SiriusXM

Remote Engine Start/Stop¹

Warm or Cool the interior of your Nissan with the MyNISSAN App so it's a comfortable temperature before you get inside.

Not all models are capable of Remote start.

Automatic Collision Notification

In the event of an emergency, we can call for help even if you can't. Your vehicle can automatically connect you to a live Response Specialist 24/7.

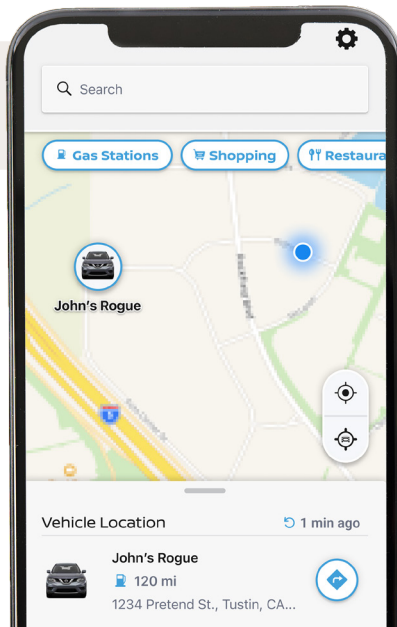

Vehicle Health Reports

Vehicle Health Report provides you with a monthly performance evaluation, detailing any recent malfunction alerts triggered by your Nissan vehicle. You can review each full report on the MyNISSAN App.

Stolen Vehicle Locator

Stolen Vehicle Locator feature can help pinpoint your vehicle's location and assist police in locating it in the unfortunate event that it is stolen. A police report is required prior to activating the Stolen Vehicle Locator.

You can also access NissanConnect Services from your favorite voice assistant.

Whether you need help to locate your car en route or in a crowded lot, you can use My Car Finder on the MyNISSAN App.

¹ Feature availability is dependent on vehicle model, trim level, packaging and options. **Late availability for some features.** Remote Engine Start/Stop only available on select models. ² Upon expiration of each trial period, a subscription purchase is required to continue NissanConnect Services. Terms and conditions of Subscription Agreement apply.
