## Here are some of our current top podcasts:

**Call Her Daddy:** The most-listened-to podcast by women, Alex Cooper's *Call Her Daddy* has been creating conversation since 2018. Cooper cuts through the BS with topics and guests — asking the burning questions you want the answers to. There will be laughter, there will be tears. There will be everything in between.

**Casuals with Katie Nolan:** *Casuals* is a sports podcast for everyone, from the sports-curious to the sports-obsessed. Host Katie Nolan is joined by a rotating cast of friends from across sports, comedy, and entertainment to banter about the week's biggest stories and help turn the experience of being a sports fan from homework to recess.

**SmartLess:** *SmartLess* with Jason Bateman, Sean Hayes, and Will Arnett connects people from all walks of life to learn about shared experiences through thoughtful dialogue and organic hilarity. Each episode is a genuinely improvised and authentic conversation, lots of laughter, and newfound knowledge to feed the *SmartLess* mind.
